100TH APOSTLE LEROY H. CANNADY, SR. BIRTHDAY CELEBRATION

On Apostle Cannady's birthday, Friday, May 27, 2022, Refuge sponsored his 100th Birthday Celebration Banquet. What a night of celebration! It was a blessing to see so many gathered to celebrate this wonderful man of God!

We celebrated a man with a heart made of gold and a century's worth of wisdom and experiences. Truly he is well deserving of all the great words of expressions; for he's made so many rise to heights that nobody could have ever possibly imagined!

Congratulations Apostle Leroy H. Cannady, Sr. on now officially being one of the most amazing people of the century! It's not an ordinary feat for someone to turn 100 years old!

So, this only proves that you are, indeed, an extraordinary person, worth all the praise that is given to you! May God continue to bless and keep you!

A TESITMONY FROM *Missionary Juanita Cannady*

Praise Be To God Almighty!!

God has delivered me from the hands of the enemy!
The enemy thought that he had me, but I got away!

I went to take my grandchild, Sade, to school. I went to Wawa to pick me up a coffee. I came back home and I wasn't feeling well. I spoke to mom and she said "what's wrong"? I said "I guess I'm just tired". She said ok. I spoke to my husband, Greg, then I hung up. I was trying to get comfortable in bed, but I couldn't.

Then, I started feeling weak and called Greg to tell him that I wasn't feeling well. Then, my daughter, Jasmine called me and I said "oh my goodness, I can't walk"! She called 911, Gabby, and I don't know who else. I scooted myself down the stairs because I didn't want the medics to break my door down. I then scooted over to the door, unlocked the door, scooted myself to the couch, then, lifted myself up off of the floor and sat there until the medics came.

I screamed "help" when they got to the door. I couldn't move my left arm or leg. I started crying. My daughter, Gabby came in, then, Jasmine. I was admitted in Johns Hopkins and stayed for 6 days. I "now" have all of the activities of my limbs!!! I get tired easily. I take my pills everyday (which I did not do before). I have a heart monitor until 6/22/22. I have rehab two times a week.

I am God's Child! He knows my name! I'm going to have a full recovery in Jesus Name!!
God is good and He is worthy to be praised!!!
